CODE NAME: "ZORRO"
THE MURDER OF MARTIN LUTHER KING, JR.

Why was Dr. King's police protection removed on the day he was assassinated?—and by whom? What became of the fatal bullet? Who is the mysterious "Raoul" who James Earl Ray claims masterminded the murder of King? In CODE NAME: "ZORRO," bestselling authors Mark Lane and Dick Gregory reveal the shocking truth about Martin Luther King Jr.'s murder. It's already prompted a full-scale congressional investigation. It can't miss being one of the best read, most talked-about paperbacks of the year.

- Dramatic consumer print advertising throughout the South.
- Radio advertising in major markets coast-to-coast.
- High-powered author publicity tour.
